Latin American Consortium for Innovation, Quality and Safety in Health — CLICSS —

Note of endorment

The undersigned, in his/her capacity of .................. (title) of ................................ (organization or individual), agrees to abide by the objectives and activities of the International Consortium for Innovation, Quality and Safety in Health (CLICSS), as outlined in the Memorandum of Understanding and signed by the founding institutions.

Under this note of endorsment ................................ (organization or individual) agrees to collaborate with the stated activities under development and in the future with other activities that may arise, under similar circumstances. Within its available human and material resources, as well as in the context of institutional relationships the signer may have, agreeing to share those resources that are managed from funding institutions to support programs and actions agreed by consensus of consortium members.
